**INTEGRATION AND DIVERSIFICATION STATEMENT**

Pursuant to Section 1.325 of the Commission's Rules and Paragraph 3 of the Prehearing Order, FCC 92M-1030, released November 2, 1992, Bakcor Broadcasting, Inc., Debtor, c/o Dennis Elam, Trustee ("Bakcor"), licensee of Station KLIK(FM), hereby submits its Integration and Diversification Statement.

Bakcor is the licensee of Station KLIK(FM), Lubbock, Texas. Bakcor is a corporation formed under the laws of the State of Texas. Bakcor is a wholly owned subsidiary of Bakke Communications, Inc., Debtor ("Bakke"). Voting and non-voting stock were authorized and issued but the shareholders no longer have control of Bakke and Bakcor.

Bakcor is currently controlled by Dennis L. Elam pursuant to an Order of the U.S. Bankruptcy Court for the Western District of Texas Midland-Odessa Division on May 22, 1991, converting the Chapter 11 Bankruptcy proceeding to a Chapter 7 Bankruptcy proceeding and authorizing the U.S. Trustee to name a trustee. Mr. Elam was appointed by the U.S. Trustee to serve as Trustee.

The Order authorized Mr. Elam to operate the business of Bakke and Bakcor subject to approval by the Federal Communications Commission. An application seeking authority to transfer control of Bakcor to Mr. Elam was filed with the FCC on May 31, 1991. The application was granted on July 11, 1991.

Pursuant to the purpose and requirements of a Chapter 7 Bankruptcy proceeding, Mr. Elam is obligated to liquidate the assets of Bakcor. This means assigning the license of Station KKI(FM) and the associated assets to a qualified buyer. However, until Station KKI(FM) is assigned to another party, Mr. Elam will continue to supervise and control Station KKI(FM) in his capacity as Trustee for Bakcor.<sup>1/</sup>

Mr. Elam will claim part-time integration credit of 10 hours per week for his duties as Trustee with two hours per week devoted to his responsibility for supervising the operation of Station KKI(FM). He is and will continue to be responsible for the overall supervision of the station operations, including programming, sales and financial matters. Mr. Elam is an accountant and his office is located in

---

<sup>1/</sup> By Order of Ronald B. King dated July 8, 1992, the proposed sale of Stations KXTQ(AM) and KKI(FM) to Ramar Communications, Inc., was approved. The parties have not entered into an agreement to sell the stations and have not filed an assignment application.

Odessa, Texas. Since becoming Trustee he has continued his occupation as an accountant and, on average, has supervised the operation of Bakcor, including Station KKIK, for the number of hours for which he will claim integration credit.

Mr. Elam will claim credit for broadcast experience. He has served as Trustee since May 22, 1991, of Bakcor, which is the licensee, in addition to Station KKIK(FM), of the following stations<sup>2/</sup>:

KXTQ(AM)	Lubbock, Texas
KORQ(AM)	Abilene, Texas
KORQ-FM	Abilene, Texas
KMND(AM)	Midland, Texas
KNFM(FM)	Midland, Texas

Pursuant to the purpose and requirements of a Chapter 7 Bankruptcy proceeding, Bakcor Broadcasting, Inc., Debtor, intends to assign the licenses of all of these stations to qualified buyers.

Mr. Elam also has broadcast experience as a commentator on local stations. He has been heard on Station KRIL(AM), Odessa, Texas, twice a day from 1986 through October 1992. He is now heard on that station once a day and is heard on Station KCDQ, Odessa, Texas, once a day. From 1985-1986 he hosted a one-half hour show on KRIL(AM). For a six month period in 1987 he hosted a television show on KOCV-TV, Odessa, Texas. He is occasionally a guest on Station KOSA-TV, Odessa, Texas.

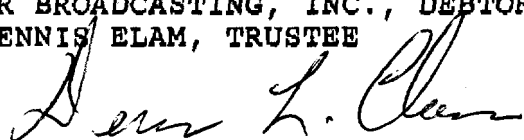

---

<sup>2/</sup> Bakcor Broadcasting, Inc., Debtor was also the licensee of Station KLSF(FM), Amarillo, Texas, until it was sold on April 30, 1992. Mr. Elam was responsible for the operations of that station from the time of his appointment as Trustee until April 30, 1992.

Respectfully submitted,
